1. "Turning" an animal at 4H would be about \$550 for a hog. Casey thinks that Stonebraker McQuary would split that. Should we donate \$300 if our funds allow?
2. \$100-\$200 to "hard luck fund"?
3. Donate to kid(s) who NEED support Casey finding out how much...
4. We talked this over and there was a motion by Travis which was seconded by Troy to allow Casey the ability to find a way to spend up to \$350 at the NPC Fair. All attendees were in favor. Ben informed Casey.

**D. All Saints Thanksgiving Dinner (Ben):**

1. It was brought up at the meeting that All Saints needs volunteers for their Thanksgiving Dinner previously served from their Saint Stans location. Ben will follow up on this.

**E. Christmas Giving (Casey, All):**

1. It was brought up at the meeting we need to start considering "sponsor a family" and other gift ideas for Christmas. Casey has mentioned in the past teaming up with Stonebraker McQuary.
2. Last year 2017 Casey clarified the employees of Stonebraker McQuary usually pool their money together to buy Don and Phil a Christmas gift. Don had asked the employees to instead pool their money and donate it to a family in need. They are curious if LC Crew has a family in mind and if maybe we would also join in to make a difference in a family's Christmas this year. They usually pool about \$200 for this.
  - a. Last year Toby suggested a donation to the Clarkston Fire Department's Bike Giveaway. We can either give the whole amount to this cause or split with CAP for a family in need.
