## A NEED NOT BEING MET

Each year, more than 400 children in the LC Valley begin school without a quality pair of shoes. This has a profound impact on their confidence, their hope and their joy.

## ALL FOR THE KIDS

The LC Crew has taken on the task of providing quality, brand name shoes to children in the LC Valley. We began this venture in November 2018 as a way to give back to a community that we love so much.

# 2019-20 LC CREW SHOE DRIVE

**Lewiston, Clarkston &  
Asotin School Districts**

*All funds raised will be used for the sole purpose of purchasing shoes.*

## A POSITIVE FUNDRAISING EFFORT

During the 2019-20 school year, an estimated 400 kids will be unable to afford a quality pair of sneakers. A new pair of shoes provides a boost in self-esteem, participation and improved behavior in a child. Our goal is to raise \$10,000 to purchase quality shoes for kids in need.
